

STAIR GLASS

We can completely transform your staircase into a modern feature by incorporating glass. We offer various options such as new oak handrails with glass (mounted in grooves or clamps), or simply glass infills.

STAIRCASE REFURB: REPLACING HANDRAILS WITH OAK

1

Ordering of parts,
following deposit
payment (1-2 weeks)

2

Initial part of the install, this usually
involves removing existing railings/
spindles and carrying out any
woodwork etc. Then taking glass
sizes (1-2 weeks)

3

Final stage of install,
glass and any remaining
parts. Decorating is not
included. (2-3 weeks)
